## **How can we provide support?**

Should you want or need support from our Liff team, a support worker will visit you at home or another location to help where they can.

The amount of support will depend on your needs and will be over an appropriate time, agreed with you.

### **What can we do?**

- Help set up your home
- Budgeting advice and benefit claims
- Help with access to grants
- Support in setting up home for new tenants
- Tenancy advise/support

- Arranging access to health services on behalf of a tenant
- Good neighbouring tasks, life skills
- Referral & signposting to other agencies
- Property safety
- Social inclusion-connecting people with their communities
- Working with a person where tenancy issues may jeopardise their tenancy

We have helped a lot of people with many different services, so please don't hesitate to ask whether there is anything we can do for you.
